

OUTPOST FLAG

Each outpost will make an event-themed flag. These flags can be made of any material that the outpost feels will best represent the theme. They must contain outpost # and city. The flags must include a scripture that ties in with the theme. Fringe, tassels, and 3D items may be attached to enhance the flag or the staff.

The boys in your outpost will make the flag. At least one picture card MUST be attached to the flagstaff showing the boys working on the flag.

Flags will be judged at SATURDAY MORNING ASSEMBLY. The winning flag or banner will be displayed on the Alabama Royal Rangers website. Outposts will be able to take their flag back to their Outpost.

- **Fringe:** Fringe is optional. Fringe must not exceed 3 inches in length. Craftsmanship and quality of fringe will be considered.
- **Flag Material:** Flag is to be made of some type of cloth, vinyl, leather, or synthetic material.
