

Visitors. All camp visitors or day guests will report to the headquarters upon arrival. Visitors will not be allowed in the campsite area for security reasons. Any visitors found without a guest pass will be escorted to the headquarters building so they can obtain one.

Photography (Including Video). Men and boys are welcome to take photographs and/or videos of activities, meetings, and presentations; however, care must be taken to respect the privacy of others. Therefore, no cameras, video recording devices, or audio recording devices are permitted in showers, bathhouses, bathrooms, or other areas where there exists a reasonable expectation of privacy. Individuals who take photographs or recordings at camp are expected to exercise appropriate care when taking, publishing, or distributing them. When publishing images, videos, etc. (including publication on the internet), no representation may be made that would lead a reasonable viewer to believe that the images are published by, for, or with the permission of Alabama Royal Rangers or the Alabama Ministry Network of the Assemblies of God. Participants should not rely on the fact that campers provided a Model Release Form to Alabama Royal Rangers as permission, expressed or implied, to take, publish, or otherwise distribute photographs or other images of campers. It is neither the intent nor the policy of Alabama Royal Rangers to publish on the internet both the name and image of any minor. However, certain information may be intentionally or inadvertently included with images that may allow viewers to determine the general or specific location of particular subjects. Examples include the word "Alabama", the names of sections within the state, outpost numbers, and church names.

Not Allowed. No tobacco products, vaping, alcohol, or other non-medicinal drugs are allowed on campus. Anyone caught in possession or using any of these items will be asked to leave the property. Any medications should be in the container prescribed by medical personnel.

Meals. There is no requirement to purchase the meal plan. Outposts can cook on their own in their camp. Thursday and Friday meals through lunch should be provided by your outpost. The first camp meals will be the Dinner meal on Friday night. Fried portions of our meals are cooked in non-peanut vegetable oils, but some food items may contain peanut products. If you or a member of your outpost has peanut or other allergies, please CLEARLY note that on the registration form and medical form so we can tell you which foods may contain peanut products. If you or a member of your outpost have other dietary needs, please note that on the registration form and provide a phone number where you can be reached.

Commander's Meeting. There will be a Commander's meeting at the Headquarters building on Friday at 3:30 pm. Each outpost should be represented by no more than one Commander because of room in the building.

FCF Event. There will be a Trade Blanket in the FCF Village on Saturday. Your Rangers are going to want to be a part of this. Commanders, you will want to help your boys be ready for this event. Only trade-worthy items will be accepted for the Trade Blanket. Please help advise your boys before they attend. Last year boys were trading pine cones and other items they found on the ground next to the Trade Blanket. This diminished this event considerably and it will not be a part of the Trade Blanket this year. Please help.
